

Congratulations On Becoming a newMD Member

Here Is What You Can Expect

Same To Next Day Appointments

Forget the emergency room or waiting weeks to see your doctor. Our providers can see you when you are sick.

Texting Or Calling Your Provider

newMD allows you to securely communicate with with your provider anytime with the use of an app called Spruce.

Personal Relationship With Your Provider

Building relationships is just as important as the quality healthcare that we provide.

Lower Costs For Labs and Imaging

Allowing members a sense of relief without the traditional financial stress of labs and imaging.

About Us:

Our mission is to provide high-quality, affordable healthcare for the Fox Valley in an environment that promotes access and communication between our patients (that's you) and their provider (that's us).

Services:

Primary Care
Acute Problems
Procedures
Allergy Testing
Lab Tests
Physicals (Pre-employment, Sports, & DOT)
Chronic Conditions

Hours:

Monday-Friday 8am-5pm
Closed weekends & major holidays

*Your membership includes access to Urgent Care Physicians, 365 days/year for immediate needs outside of newMD hours. You just pay a \$25 fee. UCP is open 8am-8pm weekdays and 8am-4pm weekends/holidays.

What's Next?

- You will receive an email to set up your portal. This is called Elation Passport

- You will receive a text message prompting you to install the Spruce app for secure direct texting, calling, and video chatting.

- We would like to meet you within the first two weeks of sign-up, if possible

Bobby Yun, MD
Your newMD Physician

Dr. Yun attended UW-Madison Medical School. His residency training included surgery, anesthesiology (UCLA), and he is Board Certified in Family Medicine. He has centered his life around practicing medicine in the Fox Valley – spending over 15 years of as Medical Director of urgent care clinics in the Fox Valley and Green Bay areas.
